### **I. *Welcome***

- Approved previous meeting minutes (December 2009).
- The Annual Board of Trustees Planning Retreat did not take place this year.

### **II. *Review of Institutional Mission Statement***

- The subgroup of the IE Committee assigned with the task of reviewing the institution-wide input and coming up with 2-3 proposed mission statements, presented the following:

#### **1) Mission Statement w/value statement (value statement to be determined)**

**Mission** – Piedmont Community College provides educational opportunities in a learner-centered environment to prepare individuals for the workforce, further education, and to enhance quality of life.

**Mission - Piedmont Community College enriches lives by providing lifelong learning, educational and training programs for today's global workforce, and cultural opportunities for Person and Caswell Counties. (*The committee selected this one in addition to adding value statements.*)**

**Value Statement categories (each needs a statement to follow each term)**

- Teaching

- Learning (creativity and critical thinking)
- Accessibility
- Diversity/Globalism
- Ethics

## **2) Sample traditional mission statements (no value statements added)**

Piedmont Community College provides diverse educational opportunities in a learner-centered environment and assists individuals to improve their quality of life through offering life-long learning opportunities and acting as a catalyst for economic and workforce development.

Piedmont Community College provides diverse educational opportunities in a learner-centered environment by offering life-long learning opportunities and acting as a catalyst for economic and workforce development.

Piedmont Community College provides accessible, affordable, high-quality education for economic and workforce development in a progressive learning environment supported by excellent instruction and services that meets the educational needs of our dynamic multicultural community.

### III. ***Old Business***

- Tabled discussion regarding establishing survey result thresholds.

### IV. ***Other Business***

- No discussion.

### V. ***Establish Next Meeting Date***

- February 23, 2010

Meeting adjourned: 11 am

Respectfully submitted: Tina Bryant-Allen, Chairperson
